ABOUT ME

My name is Muhammad Naiem. I'm an 18 year old, I am from Bangladesh. I have about 3 Years of experience on front-end web development(PSD to HTML). I have done about 200-300+ PSD/XD/SKETCH to HTML project in my professional career and many many Email Templates. I had worked with a team (Creative-Devs). But somehow this team had stopped their works so I had leave these team. And right now I am working in FIVERR market-place
